

BRITANNIA BEACH

Detailed Design Consultation • Feedback Form

Please complete the following feedback form. For questions offering a choice of options, mark an "X" in the appropriate box.
Deadline for feedback is March 7, 2007.

1. COMMUNITY ROCKS GATEWAY SIGNAGE – 2 options

The community rock gateway feature emphasizes the natural surroundings of the area. Each option will have the name of the community displayed in a contemporary, consistent typeface.

Please indicate your preference for option 1 or 2.

Option 1: Faux rock boulder base with integrated faux rock sign.

Option 2: Faux rock boulder base with the sign made of painted metal.

Option 2A: Please indicate your preference for the colour of the metal sign in Option 2 by marking an 'X' through the preferred colour below.

2. LANDSCAPE FEATURES

A. Gateway Landscape Features

To alert drivers that they are entering a community and to promote traffic calming on the Sea-to-Sky Highway, it is proposed that a single row of six Green Ash trees will be planted on either side of the North and South community gateway signs.

Using the following scale, please indicate your level of agreement with the proposed plantings, where 1 indicates 'strongly agree' and 5 indicates 'strongly disagree'. Please refer to pages 9 and 13 in the discussion guide for a description of the proposed plantings.

Strongly agree

①

Agree Somewhat

②

Neither agree nor disagree

③

Disagree Somewhat

④

Strongly disagree

⑤

Comments:

B. South Britannia Beach Landscape Plan

It is proposed that low shrubs and groundcover that would not impede sightlines would be planted in the median. Light poles with banner arms will also be installed.

Using the following scale, please indicate your level of agreement with the proposed shrubs and groundcover plantings where 1 indicates 'strongly agree' and 5 indicates 'strongly disagree'. Refer to page 10 in the discussion guide for a description of the proposed plantings.

C. Central Britannia Beach Landscape Plan

It is proposed that low shrubs that would not impede sightlines would be planted in the medians. The planting area on the west side of the highway would be a combination of rough grasses, low shrubs and groupings of trees and shrubs that would provide sightlines to the water.

Using the following scale, please indicate your level of agreement with the proposed trees, shrubs and groundcover plantings where 1 indicates 'strongly agree' and 5 indicates 'strongly disagree'. Refer to page 11 in the discussion guide for a description of the proposed plantings.

| Strongly agree | Agree Somewhat | Neither agree nor disagree | Disagree Somewhat | Strongly disagree |
| ① | ② | ③ | ④ | ⑤ |

Comments:

D. North Britannia Beach Landscape Plan

It is proposed that the landscape area to the north of the Britannia Creek Bridge would be planted with a combination of trees and shrubs spaced in groupings and located at intervals to preserve sightlines to the community, the road or the water.

Using the following scale, please indicate your level of agreement with the proposed trees, shrubs and groundcover plantings where 1 indicates 'strongly agree' and 5 indicates 'strongly disagree'. Refer to page 12 in the discussion guide for a description of the proposed plantings.
