

Notice for Public Open Houses

April 24 and 28, 2007

Opportunity for Community Input on Detailed Design Features for Squamish Section of Sea-to-Sky Highway

The Sea-to-Sky Highway Improvement Project invites local residents, businesses and stakeholders to attend an open house to provide feedback on detailed design features associated with improvements to the Squamish section of the Sea-to-Sky Highway.

Improvements to the highway are being undertaken between Horseshoe Bay and Whistler. By 2009, extensive highway improvements will make travel along the highway safer and more reliable for residents, commuters and tourists.

The consultation with Squamish includes gathering community feedback and input regarding community and business gateway signage and landscape plans for the Squamish area.

Community feedback can be provided by attending an open house or by accessing consultation materials, including an on-line feedback form at:
