

# Open House – Oct. 11

## Opportunity for Community Input on Preliminary Design Options for Improvements to Furry Creek Section of Sea-to-Sky Highway

The Sea-to-Sky Highway Improvement Project invites local residents and businesses to provide feedback on preliminary design options for improvements to the Furry Creek section of the Sea-to-Sky Highway.

Improvements are being undertaken to the highway between Horseshoe Bay and Whistler to improve safety and reliability. By 2009, extensive highway improvements will make travel along the highway safer and more reliable for residents, commuters and tourists.

Highway improvements will be visually presented to the community and stakeholders with summary information about key characteristics such as a pedestrian underpass, the proposed location of bus stops, landscaping and traffic calming.

Community feedback can be provided by attending the open house or by accessing consultation materials including an on-line feedback form, at: [www.seatoskyimprovements.ca](http://www.seatoskyimprovements.ca)

**Furry Creek Open House**  
**October 11, 2005**  
**6:00 p.m. – 9:00 p.m.**

**Furry Creek Golf Club**  
Creekside Room  
150 Country Club Road  
Furry Creek, BC
