Opportunity for Community Feedback on Preliminary Design Features for Improvements to Pinecrest Estates / Black Tusk Village Section of Sea-To-Sky Highway

The Sea-to-Sky Highway Improvement Project invites local residents and stakeholders to provide feedback on preliminary design features for improvements to the Pinecrest Estates/Black Tusk Village section of the Sea-to-Sky Highway.

Improvements are being undertaken to the highway between Horseshoe Bay and Whistler to improve safety, reliability and capacity. By 2009, extensive highway improvements will make travel along the highway safer and more reliable for residents, commuters and tourists.

The consultation with the community of Pinecrest Estates/Black Tusk Village includes gathering community feedback and input regarding the community gateways and landscape feature options.

Community feedback can be provided by attending the open house or by accessing consultation materials, including an on-line feedback form, at: www.seatoskyimprovements.ca
