### *Sea-to-Sky Highway Improvement Project*

---

#### **Gravel Processing Resumes at Brunswick Pit**

The Sea-to-Sky Highway Improvement Project will resume crushing and removal of gravel at Brunswick Pit in early March, 2006 for use in concrete production at various locations north of Lions Bay.

To minimize disturbance to residents near Brunswick Pit, a noise control and mitigation plan will be implemented. Currently work will only be done during the hours of 6:00 am to 7:00 pm. No night shifts are planned at this time.

This is **not** the start of construction in Lions Bay. Lions Bay construction will begin after Preliminary Design Consultation has been completed later this year.

If you have questions or comments about the Sea-to-Sky Highway Improvement Project or this bulletin, please contact Gary Carr, Community Relations Manager at (604) 775-1104 or by e-mail at [Gary.Carr@gov.bc.ca](mailto:Gary.Carr@gov.bc.ca).
