CONSTRUCTION BULLETIN

April 4, 2008

Kelvin Grove water / sanitary line works

Please be notified of the upcoming water and sanitary line works at the Kelvin Grove intersection. On April 8th from 1:00pm – 2:00pm sanitary line tie-in works will be conducted.

During this time period, we ask that you please refrain from using water, for example flushing your toilets or washing your laundry.

- **On April 16th from 9:00am – 5:00pm the waterline at the intersection will be shut down. This planned shut down will only affect the residents on the downslope (West side) of Kelvin Grove. This shut down is required to tie in the new line. We apologize for any inconvenience this may cause.**

If you have any questions please phone our utilities engineer Cristina at 604-629-8282.
